<https://www.raseko.fi>

Contact person: Olli Vuorinen, Development Director

olli.vuorinen@raseko.fi

Raisio Regional Education and Training Consortium see the creation of open and flexible learning environments and individual pathways in learning as essential for the motivation of our students and as a key to successful learning. It is also essential for RASEKO that it can offer wide range of international study opportunities for our students and for our members of staff.

As an acknowledgement of excellence, Raseko has been nominated by the Finnish Ministry of Education and Culture many years in a row TOP-10 VET provider in a national quality awards. Raseko is active in many international networks and we see ECVET as a fundamental part of international co-operation.

RASEKO provides a route to disseminate and exploit the outcomes of the project outcomes.
