

ACTIVITIES IN PYHÄ-LUOSTO 1.6.-14.11.2018 and 1.6-14.11.2019

Guided walk in Isokuru gorge to Pyhänkasteenputous waterfall (2,5 hours) Pyhä 69€/person

Hiking along Finland's deepest gorge to the Pyhänkasteenputous (meaning: "Holy Baptism") Waterfall provides an unforgettable experience. The steep walls of this unique gorge rise up to 220 meters.

The Isokuru Ravine is about 2.5 billion years old, and several ice ages have shaped the rugged landscape. During the hike you will learn about the geological history of the area, as well as the nature and the history of the Sámi people.

Nature, berries and herbs tour (1,5 hours) 59€/person

The purest nature in Europe greets you on our walking tour where you grow old pine trees and one of the greenest nature in the world. Since the Ice age the Lappish wild herbs gathered from these lush forests have nurtured both the body and soul of the indigenous Sámi people. On this tour you will learn a lot about treasures of Lappish nature.

Birdwatching tower and nature trail (3 hours) 79€/person

This nature trail leads you through the beautiful forest and continues on duckboards over the wonderful mire. You can climb up to a bird observation tower and watch the life of the birds on the bog. During our tour you will learn a lot more about the nature, birds and animals in our area.

Arctic sky, Nature trail & Northern lights photographing (2hours) 69€/person

The purest nature in Europe greets you on our easy walking tour. We will walk to the best place near your hotel, where conditions are good for seeing northern lights and arctic sky.

On this tour you will hear a lot of stories and facts about arctic nature, sky, northern lights and way of life in Lapland. You will learn how to use your camera settings and how to photograph northern lights. ***available 1.9.18-30.4.19**

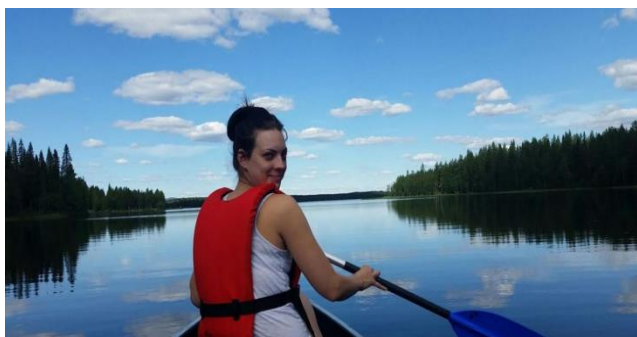

Mid night sun canoeing

(2,5 hours) 95€/ person

Come with us canoeing under the healing and mystical power of mid night sun.

In the evening time different animals can also appear in to the shore.

Canoeing on river

(5 hours) 95€/person

River Pyhä flows easily through the wilderness and it's a great experience for everybody. On our 13 km long canoeing tour you may even see our animals or a small pike jumping in a river. We will stop on the way to roast sausages in a small hut and have some hot drinks. One canoe is suitable for 2–3 persons. ***available 1.6-15.10.2018**

Canoeing on lake Pyhäjärvi

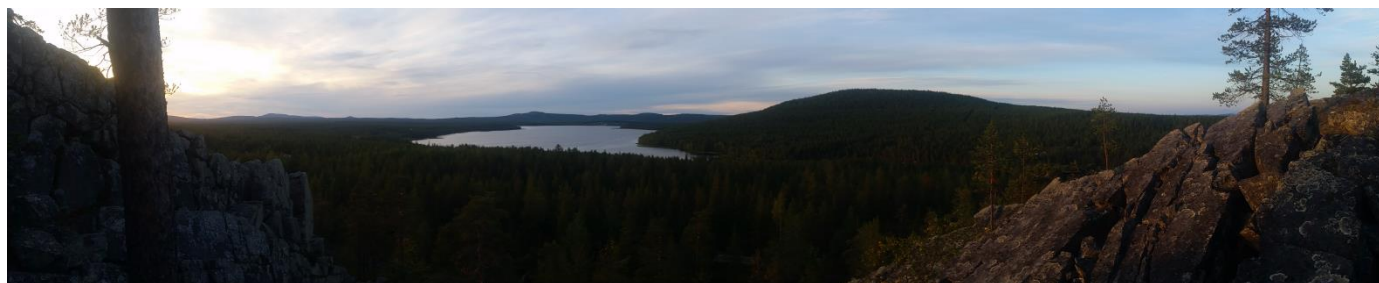

(2,5 hours) 69€/person

Come and enjoy the beauty of nature on our canoeing tour on Lake Pyhäjärvi. Canoeing is a nice and relaxing activity and is suitable also for beginners. Our guide will teach you the basics. In the middle of the tour we will take a break and enjoy some drinks and small snacks. One canoe is suitable for 2–3 persons. ***available 1.6-15.10.2018**

Land of the midnight, sun evening tour

(3 hours) 105€/person

On this tour you can experience the magnificent landscapes and rugged fells of Pyhä-Luosto. The golden eagle or even a reindeer can surprise you when we climb up to embrace the midnight sun. On the walk you can experience the magnificent landscapes, aapamires, surrounding fells and over 400 years old old-growth forests. ***available 1.6-1.8.2018**

Lappish Olympics (3 hours) **49€/person (group of 8 persons)**

Lappish Olympics gives you a fun day full of different activities for a group or family to attend. In this day we will have 5 different activities what are suitable for everybody.

Activity examples depending of the days weather and peoples interests example: Lappish lasso (Suopunki) throwing, plank skiing, bling darts, archery, quiz, problem solving, target Frisbee golf and air rifle shooting...

Pyhätunturi cultural tour (3 hours) **Naava, Aittakuru and revontulikappeli 69€/person**

Nature heritage and visitor center Naava is a interesting exhibition. In our guided tour you will get acquainted with the geological, nature and Sámi culture history of Pyhä-Luosto.

After the exhibition, we will go to the amazing Aittakuru. Nature made an amphitheater in a gorge and it is famous for its many cultural events. The 700-meter long plank road is already a unique experience.

After Aittakuru we will go to a Finland's first tourist church , which beauty surprises visitors.

Culture of Eastern Lapland (3 hours) **95€/person**

Suvanto is one of the few villages in Lapland that survived from burning during World War II. Its architecture and atmosphere with the beautiful landscape are great experiences around the year. This village has been granted Europa Nostra price and it was a nominee as a UNESCO World Heritage Site.

On this tour you may also see reindeers and you will learn about their life. In nature heritage center Naava there is a interesting exhibition and we will tell you Pyhä-Luosto's geology, nature and the cultural history of the Sámi people.

Photographing tour and Visit Amethyst mine

(2 hours) 69€/person

The Amethyst Mine hides many jewels, and some of them can be up to 2000 million years old. If you are lucky, you can find the most famous jewel in Lapland – the Shaman jewel.

During the tour you can take wonderful photos of the magnificent landscapes and wilderness. We will drive near the Amethyst Mine by car.

***available 1.6-30.10.2018**

By the scenic lift to the top of the Pyhäfell

(1.5 hours) 69 € / person (includes for a ticket with a chair lift)

The stunning scenery of Pyhä-Luosto is easily reached by chair lift. In a small walk you can see the entire Pyhä-Luosto National Park, and you will hear about our region's birth and surroundings. There is also a restaurant on the top of fell where the best coffee and waffles are served.

NB! Due to the high winds or thunderstorms, the chairlift may be closed for a few hours.

Hiking in the Rocky Mountains

(5 hours) 95€/person

Hiking in Kivitunturi is one of the most exciting and interesting excursions you can take outside the area of Pyhä-Luosto.

In good weather, even the Korvatunturi can be seen. Along the way, you can also cross the Pirunkuru “devils gorge” suspension bridge, the crossing of which may not be suitable for high-altitude phobia.

Fishing tour (3 hours) 79€/person

What if a strong trout or a pike catches your lure? These are just some of the great moments you might experience on this tour. Also graylings as well as many other species live in our waters. We will enjoy the atmosphere and have some delicious snacks traditional black pot coffee around the campfire.

We will enjoy delicious snacks and traditional black pot coffee around the campfire. If you catch a fish, we can roast it for you over the fire. Includes friendly guiding, equipment and transportation. If you want to spin fish extra charge is 30€ for licenses.

***available 1.6-15.10.2018**

Bird Tours

There are at least 81 bird species nesting in our area, and up to 128 different species have been found here. Many of the birds in the Arctic Ocean, the White Sea and the Tundra region visit the riverside villages of the region's peaks.

Kuukkeli, the curious lucky bird of old forests can even sit to eat your hand so keep the camera ready!

Kairankutsu organizes many different bird tours to various destinations in and around Pyhä - Luosto National Park. For seeing more special bird species, we travel to a wider area in the eastern Lapland region.

Renting

We rent canoes and kayaks for your own excursion to the Pyhä and Luosto areas.

Canoe 45 € / day (2-3 people)

Kayak 30 € / day (1 person)
