Dinner

Dinner is served in the idyllic lapp hut. Dinner is cooked on open fire just for you. Dinner includes starter salad based on Finnish vegetables and main course is traditional Finnish sauna food: sausages and potato salad. After dinner we offer you

coffee or tea cooked by fire and something very Finnish to eat for example apple or blueberry pie.

Smoke sauna and a hot tub

Then it's time for sauna. We have a traditional Finnish smoke sauna, where you can take your time enjoying the refreshing atmosphere. Smoke sauna is the origin of our everyday sauna. Right beside the smoke sauna there is a hot tub where you can sit and relax listening to the nature. The hot tub has room for 8 persons.
