

December 2018

New members in 2018

Two companies have joined to the International ThermoWood Association in 2018. New members are Tanwood from Turkey and Tartak "Stefan" Spółka Jawna from Poland. A paint manufacturer Owatrol International S.L.U from Spain joined in as a cooperative partner.

The International ThermoWood Association has 17 members and 5 cooperative partners.

The International ThermoWood Association welcomes new members and cooperative partner and wishes great success in the future!

Welcome new members and new cooperative partner.
