

October 2017

## New members in 2017

Three companies have joined to the International ThermoWood Association in 2017. New members are Mazand Choop Aria (MCA) from Iran, LDCwood from Belgium and Scottywood Corporation from Canada. A famous roof window manufacturer, Velux A/S from Denmark joined in as a cooperative partner.

The International ThermoWood Association has members in eight countries that are Finland, Sweden, Portugal, Belgium, Turkey, Canada, Iran and Japan. The cooperative partners are from Finland, Turkey and Denmark.

The International ThermoWood Association welcomes new members and wishes great success in the future!
