EXPERIENCE FINLAND WITH THE HELP OF FULL SERVICE DESTINATION MANAGEMENT COMPANY

EXPERT IN FINNISH DESTINATIONS

Uudenmaan Seuramatkat has 50 years of experience in travel agency and tour operations in Finland. We are a Finnish family run company and take pride in our work. When it is about Finnish travel destinations, we know what we are talking about and want to offer the best for your group.

We have IATA rights and we are a member of The Association of Finnish Travel Agents (SMAL /AFTA). We are a registered packaged travel organizer in Finland. The register is maintained by the Finnish Competition and Consumer Authority.

In decision-making and governance, our company complies with the Finnish legislation, taxation rules and company regulations as well as labour agreements regarding our employees.

Our focus is on tailor made travel plans for groups of all kinds, whether young or elderly, business, students, incentive or leisure group, we will have good ideas, latest trends and authentic destinations for you to choose from.

We have plenty of fantastic itineraries and suggestions for where to go and what to do in Finland. We also have a brilliant network of reliable partners and colleagues we work with. Our valued partners are bus companies, airlines, cruise operators, hotels and other destination agencies in all over Finland. We know what is going on here and therefore we can offer competitive prices and high quality services.

SUSTAINABLE TOURISM

We value Finnish nature, environment and cultural heritage and want to commit to enhancing the welfare of people at the same time protecting our nature and embracing ecological aspects in tourism.

We seek to provide our clients with an exciting and educational holiday that is also of benefit to the local

people. When ever possible, our aim is to use local Finnish ingredients, workforce, products and services. We also aim to choose methods of transportation which reduces the ecological footprint. Our company is a supporting member of WWF and Association of Finnish Work.

TRANSFERS AND CHARTER COACHES

Transportation services are available throughout the whole Finland. Taking a motor coach is the most environmentally friendly way to travel. We provide safe and reliable, high quality coaches and our charter bus fleet features very well equipped 9-60 seat coaches with stylish interiors, air-conditioning, toilet, radio/CD/DVD player, digital TV, coffee maker, fridge, adjustable seats as well as large luggage compartments.

The coaches are equipped with the latest safety features and the obligatory Finnish traffic insurance. For our experienced professional drivers passenger safety is the number one priority.

TRAVELLING IS GOOD FOR YOU!

Travelling is proven to lower health risks such as diabetes, metabolic syndrome, high blood pressure, heart disease, colon cancer, breast cancer, depression levels and more.

In Finland you can make the most of these health benefits as Finland is voted as the cleanest country in the World. Finnish people are well educated and invest large sums on environmental policies and conservation work.

Water quality is rated excellent in most of the Finland's lakes. Also the tap water is drinkable and berries, mushrooms and herbs are edible straight from the forest. The air is clean, clear and fresh. Welcome to enjoy it!

FINNISH EDUCATION SUCCESS STORY In Finland we have high standard of education. Should you be interested in learning about the educational system and visiting a Finnish school, we can arrange that for your group.

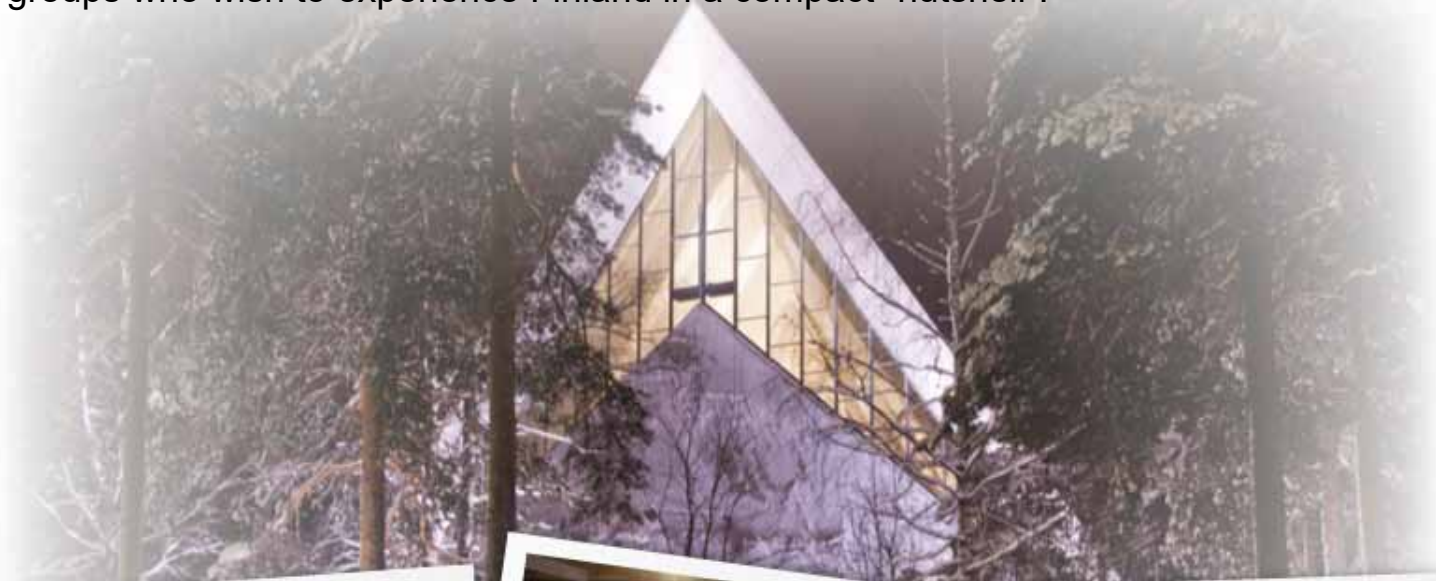

STOP OVER OR POP IN FOR LONGER

Hyvinkää is a city of healthy, pine-scented air, pure nature and safe environment close to Helsinki airport. Here you have time for your thoughts and the chance to slow down for a moment. Right next to the city centre you'll find a wilderness area where you can hike with experienced guides and learn some scouting skills in a beautiful landscape.

In Hyvinkää there is an Adventure Park with a zipline, one of the best golf courses in Europe and variety of accommodation options with a new Sveitsi Hotel opened in August 2018. The Willa shopping centre has big department stores as well as unique specialty shops. The gem of sights to visit includes the bold modern church which resembles a frozen pyramid. The Finnish Railway Museum has a lively exhibition of the fascinating railway history in a genuine railway station setting. Or fancy snow boarding or downhill skiing? Try Sveitsi Skiing Centre only 5 minute drive from the city center!

Visiting Hyvinkää will give you an insight on Finnish nature, culture, culinary delights, design and outdoors activities, all in one. After just 40 minutes drive from the airport you'll be enjoying the green city. Our Hyvinkää tours are well suited for groups who wish to experience Finland in a compact "nutshell".

INTERESTING FESTIVALS AND CELEBRATIONS IN FINLAND

MID-WINTER SLIDING FESTIVAL

In February

Laskiainen, a funny family festival with kids sledding and sliding down the snowy hills, family outdoors activities with special traditional menu for the day and some tasty whipped cream buns. Sauna will feel great after this wintery day out!

EASTER HOLIDAYS

In April

Finnish Easter traditions mix religion and rites of spring. Willow twigs are cut and decorated by kids to give as gifts when they go door to door as Easter witches driving away the bad spirits of the house. Easter is also about celebrating the coming spring, chocolate easter eggs, mämmi, roasted lamb, pasha and other seasonal treats and dishes. You have to try MÄMMI!

VAPPU - MAY DAY CELEBRATION

In May

This spring festival is a popular carnival that has traditionally been celebrated by workers and students. The celebrations continue throughout the cities; parties, carnivals, donuts, sima-drink and sausages with potato salad. The following morning everyone gathers in parks for a picnic and some sparkling wine. Parades and other events are also held around town.

MIDSUMMER FESTIVAL

In June

Midsummer is a main national holiday in Finland. Originally a celebration of the summer solstice, it is typically spent with friends and family at a summer cottage away from the city, either partying or relaxing. Barbecued meat, fish and vegetables are being cooked and spells are being made under the magical midnight sun that does not set at all for few days. Fishing, sailing, playing, dancing, swimming, sauna and eating well with lighting up the Midsummer bonfire are popular traditions.

KEKRI HARVEST FESTIVAL

In November

Kekri, the ancient Finnish celebration of the end of the harvest season in Autumn. The great feast to celebrate Kekri was prepared before bathing in the sauna, so the dead of the family could come in and sample the offerings while the others bathed. Today the celebration includes feasting with food and drinks and honouring the rituals of the harvest and the departed.

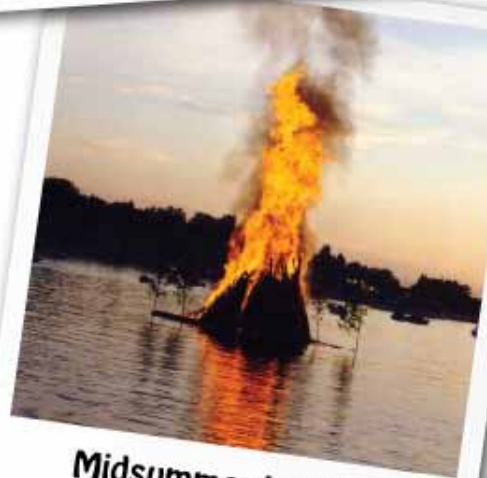

CHRISTMAS HOLIDAYS

In December

Christmas time is magical in Finland with the little lights twingling in the windows, gingerbread cookie's and glog wine's odour drifting in the air. Numerous Christmas dishes, shopping for Christmas gifts and meeting the Santa Claus are parts of this important celebration in Finland...
