Afternoon activities

After the Saturday lunch, you have many alternatives. You can e.g. mingle with other people, go swimming, see the Art Exhibition, praise and worship, spend time outdoors or with the children. The indoor saunas and the swimming pool are open at 13-16. There is also a Room of Silence, a 'Does God hear me?' workshop, and a Knitting Corner with a Missions theme. There will be activities for the children and youth, too.

So, after lunch, you can take part in or visit at least the following:

Room of Silence A room reserved for being in silence. Free entrance, no guidance. You can just be quiet and seek for the Lord in your own way. You can stay here a shorter or a longer time. Before entering please set your mobile phone to the 'mute' mode.

Knitting Corner with the Missions theme Here you can join others who are knitting or ask them for knitting advice. And, of course, here you can talk about mission work.

Pilgrimage

Säde Lopenen tells about pilgrimages. She has been trekking on pilgrim routes in Finland, Sweden, Norway and Spain. Here you can discuss about pilgrimage and also ask for tips.

Does God hear? Here we are asking how does God speak / how does He remain silent. Not a normal Bible study nor meant as a channel for remembering bad experiences in life. We want to learn to hear God's voice in our life. When we ask 'Does God hear us?' we should also ask whether we do hear Him.

Frisbee Golf course

There is a disc golf course in Toivonlinna area. However, you have to bring your own discs.
