

Foal registration

The foal must be identified no later than 12 months after birth and in any event before leaving the holding of birth unless the departure takes place next to its mother (foal and dam are changing at the same time in to same place). Foals aged over 12 months, which are registered for the first time, penalized by "Not intended for slaughter for human consumption" the time of registration.

Breeder state veterinarian to do Identification form which will be clearly marked with a microchip (M) in place, date and signature by veterinarian and stamp (8-10) . Studbook only accepts identification form adopted by the origin of the studbook, the kind you get on studbook request or by printing of the association's web site Forms tab.

Part A - identification details

- Avoid using abbreviations and write in clear handwriting (1-3, 5, 8-10)

Part B - outline diagram

- The white marks on the horse should be drawn with a **redpen** and hairswirls ("**X-mark**") with **black** coloured pen. Microchip (transponder) with letter **M**

During identification of foal it will be taking hairsample (approx. 20 horse hair from the root), which are DNA-test. Put hairsample into a small Minigrip plastic bag on top of a microchip number and the name of the foal.

After identification, following documents will be send to the studbook:

- Identification form done by veterinarian or authorised person
- Covering certificate
- Birth certificate
- Hairsample
- 2 pictures (sending is optional, to fsickantakirjasihteeri@gmail.com)

Address:

Suomen Irlannincobyhdistys - FSIC ry
c/o Sanna Tiilikainen
Viitaniementie 9
52780 Kuomionkoski, FINLAND

An adult registered horse registration (valid EU passport)

Print the association's web site form for registration or fill it by electric way. The form and the horse identification document (passport)is send to studbook secretary, which makes the registration in the passport and the horse is added to the studbook database.

Between Member States move Horse owner must inform the country register / studbook, where the Horse is at least within 30 days of entry into the country.

In case of doubt, and if the case is otherwise unclear, please contact the studbook secretary with e-mail: fsickantakirjasihteeri@gmail.com
