Founder of Willa Fantti, Nastola
Republic of Finland

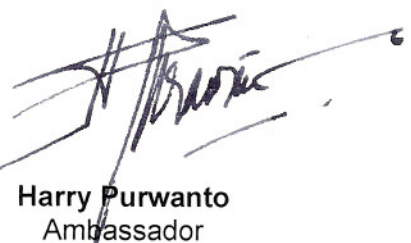

Dear Mrs. Mäkinen,

My wife and I would like to convey our thanks and appreciation to your invitation to Indonesian Embassy to join the opening ceremony of your Elephant Collection House "Willa Fantti" in Nastola, 2 May 2009. We do have a good visit to Nastola and have returned safely in Helsinki as well as settled back in our daily routines.

We were glad to meet personally with you and your husband, and profoundly enjoy and appreciate the hospitality conveyed to us during the event. While wishing you all the best, I hope that the opening of your "Willa Fantti" in Nastola will also mark a positive signal in bringing about an increasing friendship and understanding, as well as a closer cooperation and people to people contacts between Indonesia and Finland.

Again, Congratulation.

Warmest regards,

Harry Purwanto
Ambassador
