Dear Friend:

As every year, the Cuban Institute of Friendship with the Peoples, together with its Travel Agency Amistur Cuba S.A. invites you to participate on the **14th edition of the May Day International Volunteer Work Brigade in Solidarity with Cuba.**

On this occasion, we will be meeting between **April 22nd and May 5th, 2019.** In addition to celebrating together with the Cuban people the conquests of its workers, it will be time to follow up the work of the Central Organization of Cuban Trade Unions (**CTC**) that this year, while marking the 80th anniversary of its foundation will held its twenty-first Congress.

The program as a whole will be a tribute to the heroes and martyrs of our libertarian and emancipatory process on the 60th anniversary of the triumph of the Cuban Revolution. It will take place in the provinces of La Habana, Artemisa, Villa Clara and Sancti Spíritus, where participants will complete days of voluntary work, visit places of historical, economic, cultural and social interest; will receive lectures on up-to-date national topics and exchange with representatives from different organizations of the Cuban society.

The 14-night stay will cost **551.00 CUC (Cuban Convertible Pesos)** per brigade member. Out of these, 10 nights you will be accommodated at the "Julio Antonio Mella" International Camp (**CIJAM**), located in Guayabal, Caimito municipality, Artemisa province, 40 Km away from the capital, and 4 nights in a tourist resort located in the province of Sancti Spíritus. The price includes accommodation in shared rooms (up to 8 in the CIJAM and double or triple in hotels), with full board (all three meals); airport transfers (in-out) and transportation to all the activities included in the program.

Additional nights will have an extra cost of 15.00 CUC per pax and will be paid directly into the CIJAM as well as the optional activities. **Less than 10 days stay in the Brigade will not be accepted. It is an essential condition to travel health insurance with coverage in Cuba.**

Registrations will be open until March 29th, 2019. Your attendance will be confirmed once received essential information: **Name and last name, country of origin, date, time and flight arrival and departure to Cuba.** In previous editions participation has been increasingly rising, so we inform you that once covered the 220 capacities of accommodation at the CIJAM, new confirmations will have an alternative of accommodation in similar conditions at the same cost.

Registrations can be sent to:

E-mail: director.alatina@icap.cu , with a copy to alatin.csur@icap.cu

By confirming participation, “brigadistas” take responsibility of participating in all activities under the proposed program; as well as assuring compliance with CIJAM regulations, maintaining an appropriate behavior, high standards of discipline and a socially responsible conduct, consistent with norms for social interaction.

We will be happy to receive you in our country to continue building that other better world that it indeed possible! We look forward to have you here!

Fraternally,

THE CUBAN INSTITUTE OF FRIENDSHIP OF THE PEOPLE
