Important information about Lions Youth Exchange program from Finland 107MD!

Hi all friends all over the world,

Our lions council has confirmed today, that we will cancel lions youth exchange.

It is with sincere regret we, YCE team MD107 Finland is forced to confirm that we among other MDs will cancel all our camps "Lions Camp Park 2020 Tammela, 107-C"; "Lions camp Mikkeli, 107-D", Lions camp Kuortane, 107-F" and "Lions camp Kajaani - Kainuu 107-I".

Due the circumstances concerning the Coronavirus CONVID-19 Lions Finland have made the decision not to participate in the International Youth Exchange program in 2020.

This means as well that we will not send any youths to other countries this year. So all outgoing will automatically move to year 2021.

The students/participants we have already accepted will have priority to attend next years camps in MD107, Finland. We will change them direct to the camps.

Together around the world we will be strong and defeat the COVID-19 and we all aim for a good Youth Exchange Program at 2021!

Please do not hesitate to contact us if you require any further information.

email to all of us is firstname.familyname@lions.fi f.ex) paivi.koiviniemi@lions.fi
