

Ilves Football junior football

The reason for this information sheet is that we want to shortly explain Ilves junior football procedures.

Trainings and matches

- all teams use www.hobbydeed.com application
- team leader will send you the team name → then you will sign in and make a request to join
- please remember that you use player's name (not the parents')
 - o you can then add many email address behind one player
- each team has its own way of signing up for the trainings and also for the matches
 - o in general, it is important to state yes or no to trainings
 - o usually you shouldn't state yes to matches before coaches have named the players

Team rules

- each team has its own rules for players and also for parents
- please find out from your team leader which those are
- usually parents and coaches have a joint whatsapp group
 - o team leader will add your number
 - o groups are used only for fast information purposes

Ilves junior football fees consist of two different parts:

- activity fees for Ilves football division → [link](#)
 - o this fee covers training sessions and places, coaches, office fees
 - o all players have to register every season for the team in question → team leader will send you the registration link → [link \(Fin\)](#)
 - o bank account number is FI66 5730 0820 0940 98 (Ilves ry jalkapallojaosto)
 - o every player has its own reference number each season → this has to be used
- team fees for the particular team in question e.g. girls T09
 - o this fee covers team's
 - tournament fees like busses, food, hotels, participation fees
 - clothes and other equipment
 - testing, physiotherapy, referee costs, camps
 - not only player's but also part of coaches' and team leaders' costs
 - o team's accountant sends you the bank account and personal reference number and tells you about payment procedures and schedules
 - o fees are settled in parents' meetings (organised at least four times per season) and therefore those are not to be bargained
- if you have questions or difficulties in payments, please be actively in contact with either ekaterina.kanjovski@ilves.fi or your team accountant
- please notice that when youngsters grow up, fees will get higher
