Mount Adams Jkt Men

Our iconic Mount Adams Jacket is made of a recycled nylon fabric, and it is the perfect piece both for urban and nature settings. The jacket is filled with Gold Insulation Luxe™ by Primaloft® which is a 100% post-consumer recycled material. It consists of small silky plumes of synthetic fiber mimic the lightweight warmth, softness and compressibility of natural goose down with the excellent performance of Primaloft®. The jacket is lightweight, yet it delivers warmth while retaining its loft, even in wet conditions. The hood is easy to zip-off and the jacket is equipped with two front pocket and an extra chest pocket. Print area for customer's logo at the front chest area.
