

January 1, 2019

DECISIONS MADE AT THE GENERAL FUND MEETING AND BY THE BOARD

BENEFITS

The General Fund Meeting held in November decided on the maximum compensations to be paid as from January 1, 2019. The decision was to maintain the compensations on the same level as in 2018.

Dental care	EUR 329 yearly
Eyeglasses	EUR 269 in every two years
Laser surgery	EUR 269 as a lump-sum compensation
Funeral grant	EUR 749
Aids	EUR 100 yearly in every two years for the same aid.

80% to be compensated on the doctor's fee.

Also, the EUR 50 initial deductible of purchased medicines will be compensated.

80% of sleep apnea examination will be compensated.

The fees charged by a private dentist must first be paid by each member after which the application for compensation will be delivered to the Sickness Fund. Kela does not approve that the compensation would be paid directly to the service provider in case there is no direct debit agreement. In dental care there is a compensation ceiling for which reason no direct debit agreement can be made with dental clinics.

MEMBERSHIP FEE The membership fee is 1.80% of the member's salary before tax deduction, however, at most EUR 689.40 in a year (EUR 57.45/month).

OPENING HOURS OF THE SICKNESS FUND

The Sickness Fund is open for customer service from Tuesday to Thursday 8:00 – 11:30 and 12:00 – 16:00. If necessary and by appointment, customer service available also on Friday.

BOARD

The composition of the Board in 2019

Harri Hiltunen	Deputy member	Teemu Suojanen
