This land is your land

This land is your land
This land is my land
from California to the New Your Island

from the Redwood Forests
to the Gulf Stream Waters
this land was made for you and me
As I was walking
that ribbon of highway
I locke above me there is the skyway.
I locked below me in the golden walley,
this land was made for you and me.
I roamed and I rambled
and I followed my footsteps
o´er the sparkling sands of the diamond deserts,
and all around me a voice came calling
this land was made for you and me.
