

CLUB BENCH

Club Bench is a premium specification upholstered bench and backrest seating system designed for use with Hussey Maxam Plus and Seatway TP theatre quality, telescopic platforms. The product features a full depth backrest providing optimum support for the audience. The efficient design enables the product to be used on a minimum retractable row rise of 245mm.

APPLICATIONS

The Club Bench provides comfortable seating with the flexibility of tailoring the seating space to suit children and adults, as required. Designed for use in schools and theatres, Club will also suit multi-purpose venues where flexibility and good aesthetics are important.

FEATURES

- Seat centres from 450mm
- Preformed plywood, seat and back structure with fully contoured foam and upholstery
- Manual folding backrest
- Steel framed backrest frame that prevents 'foot' damage from the occupants on the row behind
- Integral fascia board
- Specify Maxam Plus telescopic platforms with 245mm or 295mm Rise per row and 840mm Row Depth or;
- Specify Seatway TP, theatre quality, retractable platforms with a 260 to 400mm rise per row and 850 to 950mm Row Depth
- A tread mounted, fixed version is also available

OPTIONS

- Available without backrests (on 650mm on greater row depths)
- Seat numbers and row letters
- Seat frame colour to co-ordinate with chosen fabric
- Show wood backrest panels

FINISHES

- Fabric from the Xtreme range by Camira
- Customers own choice of fabric can be specified
- Metalwork: Satin black powder coat
- Laminate or painted fascia

TECHNICAL

For all technical details, please see the reverse side of this specification sheet. CAD drawings available on request. Club Bench upholstery meets BS 5852: 1990 (crib 5).
