3 years old, excellent breed type. A bit heavy today, correct bite, feminine head, ears could be carried closer to the head, flat skull. Good width and depth of muzzle, too much lip. A bit short neck, good feet, could be more angulated in front and rear. Croup a bit short, could be more parallel coming and going, elbows should be closer to the body. Moves well with the angulations she has. Ridgeless. Excellent coat and color.
