

We have over 500 members. Nurses, midwives, public health nurses and students nurses are entitled to full membership of the Fellowship. Others can join the Fellowship as associate members.

What Are the Aims of SSKS?

- to offer the members a possibility for mutual fellowship on the basis of nursing profession and Christian faith
- to bring the good news of the Gospel to health personnel and students
- to support and encourage the Christian Faith and spiritual growth of health personnel and students
- to deepen in nursing the Christian view of human beings
- to support total patient care in nursing and to help individual nurses to meet the spiritual needs of each patient
- to support missionary work
- to participate in the international activities of Christian nurses
- to co-operate with church parishes and other Christian organizations

How Does SSKS Work?

- in local groups in different parts of the country
 - we have now 9 different group around the country
- in national conferences
- by publishing a quarterly magazine Viesti Terveystenhoitajien Henkilökunnalle (A Message to the Health Personnel)
- the work of the Fellowship is led by elected National Board
