Parking

Parking places are next to the event venue.

First starts

First start for sprint is 15.7.2023 at 13.00 local time. Distance to start is 500 m. There is signage to start.

First start for long is 16.7.2023 at 10.30 local time. Distance to start is 5,8 km. Warm up map can be collected from info which navigates to starting place.

Starting times and bulletin 2 from Suunta Jurva homepage www.suuntajurva.net latest 12.7.2023.

Map

Map with MTBO symbols and updated 6/2023.

Scale of map in sprint is 1:7500 and map size A4.

Map scales in long distance from 1:10000 to 1:15000, map sizes A4 / A3.

Contour interval in map 2,5m.

Map exchanges in both competitions depending on class. Distances, number of controls, maps scales and number of map exchanges in bulletin 2. Sprint maps are collected in finish and given after last starting time of long distance.

Terrain

Sprint will be in a two different area. It is splitted to urban area and to forest area. Forest area will have many paths with various speed classes. Forest area has high density network of paths.

Long terrain has many different types of forest. There is coniferous forest that has hard bed and there is softer terrain with more wet and marsh. Many wood truck roads can be found together with smaller paths through high density forest. It is allowed to cut through forest.

NOTICE! Pay attention to the traffic in built-up area and in the national road. Crossing the paved road (in north-south direction) only from marked places. Follow general traffic rules!

Punching system

The electronic touch-free punching system EmiTag will be used. EMIT recommends that EmiTag cards with number 3 992 590 or less should be changed to new before summer season 2023.

Event centre

There is small service building with changing room, shower and WC. Also cantine, first aid, bicycle wash and result service with race commentary.
